

## MY ADMISSION GUIDANCE

North-East No. 1 Education Council

Want to be a Doctor or Engineer?  
Touch Your Dream with us !

## OUR MISSION

To help individuals in finding their right career path so that they realize their dreams and become successful in leading a meaningful life.

## OUR VISION

To become an eminent organization at pan global level into the field of career guidance and people development, helping people around the world envisioning themselves.

## ABOUT US

In today's fiercely competitive scenario, while, choosing the right career is very critical, it is equally difficult as well. And what makes matter even worse is the availability of multiple options and friendly suggestion as well as mindset of parents. So, in the present scenario, it requires professional guidance and advisory – for an individual or a student to pursue the right career and that is where MY ADMISSION GUIDANCE "SATWAT GROUP" comes into picture. My Admission Guidance and people development organization offering consultancy services, educational consultancy services, MY ADMISSION GUIDANCE "SATWAT GROUP" has a proven track record of helping students getting the best suited career without wasting their precious time and academic sessions. With a panel of experts, MY ADMISSION GUIDANCE "SATWAT GROUP" offers analysis of the educational qualification, aptitude, family background and the overall personality of an individual.

Apart from this, the spectrum of our services also includes students development for Overseas Education and Industry Placements. We are helping students who need admission assistance in India and abroad. At MY ADMISSION GUIDANCE "SATWAT GROUP" students get the entire gamot of information regarding professional courses, vocational training, best career options, overseas education and employment opportunities.

Moreover each student is subject to a battery of tests in order to adjudge their innate potential and personality. Afterwards, most suitable career options are suggested to students and advices are provided for selecting the best one.

In the present time of fierce competition, timely preparation and planning for a career is very important. With its focus on the students needs, MY ADMISSION GUIDANCE "SATWAT GROUP" combines experience, information, researches and technologies as a key divider to enable people realizing their potential and making their dreams come true.

## Our Services

- We give free educational counselling to students and parents regarding all courses and affiliated / recognized institution.
